

PRESS RELEASE

MAY 23, 2019

13 startups join the 6th batch of the Welcome City Lab, Paris&Co's incubator dedicated to innovation in tourism

The Welcome City Lab and its founding members unveiled the **13 startups** of the 2019 batch of the incubation program.

The **6th batch** will be composed of the following startups: **BonPort, Andyamo, Dilotel, Memory Magic Selfies, Patrivia, Questo, Tab-hotel, Tookki, Urban Expé, Vizeer, Weekome, Sab System, Eliro.**

Since its creation, the incubator has already enabled more than **100 startups**, through its incubation program, to successfully enter the world's leading tourism market with a **90% success rate**. These startups have generated more than 650 jobs and raised more than €150 million.

In just five years, **the Welcome City Lab has become the referent for tourism innovation in France**. The challenge today is to internationalize the model.

The incubator also has founding partners, world leaders in the sector. They are all involved in accelerating incubated startups: **The City of Paris, BPI France, the Paris Convention and Visitors Bureau, the Direction Générale des Entreprises (DGE), the Aéroports de Paris Group, Air France, Groupe Pierre & Vacances, Galeries Lafayette, RATP, Skyboard, Sodexo Prestige, ViParis, Paris Inn Group and the Caisse des dépôts.**

About Paris&Co

Paris&Co is the economic development and innovation agency for Paris and the metropolitan area. Its mission is to work with entrepreneurs for the sustainable transformation of the city.

Paris&Co accelerates the development of more than 500 young French and foreign companies per year, facilitates urban experimentation and promotes the influence of the innovation ecosystem through the organization of national and international events, in close collaboration with more than 120 major partner groups and institutions.
